# WE ARE BACK

After 10 long and crazy years, GFL is back at Kopaonik! It's time to shake that mountain once again with fast races, loud music, and super-vivid, colorful outfits.

As some of you remember, in 2017 we gave our best and created one of the greatest GFLs ever. Now, the challenge is to raise the bar a bit higher, and make it even better. Since then, it's clear that the event has grown bigger year after year. As your team captains already know, our maximum capacity is around 640 people, and all important information and final prices for GFL2027 are available on our website:

[www.gfl2027.com](http://www.gfl2027.com) - please check it out.

But the main subject of this newsletter is something else: **PreGFL!**

# PreGFL 2027

**Welcome to Belgrade, the capital of great food and even greater nightlife!**

**As you know, we're one of the skiing teams with drinking habit, so to speak, and our OC has (or had) some nightlife habits, too. So, now we finally have the perfect excuse to party for a whole weekend with our GFL family and we can't wait! That's why we urge you to apply as soon as possible.**

**October in Belgrade is a truly vibrant time. The weather is still warm, people still have those bronze summer tans, and the nights lure even the most low-key types to party. For those reasons, we chose the weekend of **October 9<sup>th</sup>-11<sup>th</sup> for PreGFL.** But since many others love visiting Belgrade at this time of year, we need to start the registration process early in order secure the best hotels, bars, restaurants, and boats.**
